Attention Plant Managers!

Missouri Water Environment Association

The Missouri Water Environment Association Plant Manager's Committee Presents:
A Networking Lunch & Plant Tour of the

Warrensburg, MO West Wastewater Treatment Plant
75 NW 50 Hwy, Warrensburg, MO 64093 (660) 747-6923.

Friday, September 27, 2019 11:30am

Lunch will be catered at the WWTP
At 1:00 pm we will start a short presentation on the treatment facility.
At 1:30 pm we will start the plant tour
Please consider bringing someone with you. This is a networking opportunity.

Directions to the WWTP:

Take 50 Hwy east of Lee's Summit, at the Business Hwy 50 turn off make a left hand turn across the west bound 50 highway lanes, into the gravel driveway, follow the gravel road to the left it will turn north and take you to the plant.
OR
Take I-70 East from Kansas City area to Hwy 13 south to Warrensburg. From Hwy 13 at the roundabout take the first exit to stay on Business Hwy 13. At the Hwy 50 exit head west on 50 Hwy. At the Business 50 Hwy Jct. turn right into the gravel drive follow the gravel road to the left it will turn north and take you to the plant.

Description:

The West WWTF utilizes SBR's to treat the wastewater along with Aerobic Digestion to treat the biosolids before application to reed beds.
Improvements were made in 1986, 1991, 1994 and 2010. The West WWTF discharges Approx. 1.25 MGD treated effluent to Postoak Creek.

Mr. Phil Adlich will present the program.

RSVP to 816-853-2910 or to mpearson@mecresults.com so we can get a headcount!
