11250 Corporate Avenue Lenexa,
KS 66219
(913) 307-2556

[RE: MWEA 2016 INDUSTRIAL PRETREATMENT AWARDS

While you are reviewing industry files to determine compliance status for your annual pretreatment report, please keep in mind the Missouri Water Environment Association (MWEA) pretreatment awards program. MWEA awards recognize industries for outstanding achievement in pretreatment. Industries and/or their consultants may also apply for MWEA's Industrial Water Quality Achievement Award. If you know of an industry that may qualify, please refer them to <http://www.mwea.org/> for further information. Awards will be presented at the Joint MWEA/MOAWWA Annual Meeting on March 27, 2017 at Tan-Tar-A Resort, Osage Beach, Missouri. Awards will be presented at the Awards Luncheon and will be sent electronically to recipients that are unable to attend.

POTW Pretreatment Coordinators are to select pretreatment awardees based upon compliance with discharge and reporting requirements in 2016 using the attached criteria. Industries that receive a Gold Award for five consecutive years also qualify for a Platinum Award certificate. To nominate qualifying local industries:

1. If you have less than ten nominees, please complete and submit a form for each industry.
2. If you have ten or more nominees, please submit a spreadsheet with the requested information.

Please be sure to provide the contact name and email address for each nominee. We need this information to notify the nominees of their award. Please submit the completed Nomination Form or spreadsheet by February 16, 2017 to:

MWEA Industrial Wastewater Committee, c/o Bill McAllister
Burns & McDonnell
9400 Ward Parkway
Kansas City, MO 64114
Fax (816) 822-3031
bmcallister@burnsmcd.com

We appreciate your taking the time and effort to enable deserving industries to qualify for these awards. Recipients value the recognition they receive. If you have any questions, please feel free to contact Bill McAllister at either (816) 822-3031 or bmcallister@burnsmcd.com.

MWEA INDUSTRIAL GOLD AND SILVER PRETREATMENT AWARDS

Criteria for All Awards:

- ▶ The industry has some sort of pretreatment or pollution prevention in place.
- ▶ The industry has a history of a cooperative working relationship with the POTW.
- ▶ During the past calendar year the industry was not in significant noncompliance.
- ▶ No serious deficiencies in safety related matters were noted during the most recent pretreatment inspection of the facility.

Additional Requirements for Silver Awards:

- ▶ During the past calendar year the industry may have been in infrequent noncompliance with permit limits using EPA's definition of infrequent noncompliance, but with only minor exceedances (less than 20% above permit limit).
- ▶ During the past calendar year the industry may have infrequently submitted late reports to the POTW but was not in significant noncompliance with any reporting requirements. (Complete reports were submitted, none more than 30 days after the due date.)

Additional Requirements for Gold Awards:

- ▶ During the past calendar year the industry was in 100% compliance with all pollutant limitations and other permit requirements.
- ▶ During the past calendar year the industry was in 100% compliance with all reporting requirements, submitting complete reports to the POTW by the due date.

MWEA INDUSTRIAL GOLD AND SILVER PRETREATMENT AWARDS
NOMINATION FORM
For 2016

Industry Name: _____
If the facility name has changed since last nominated for an award, please also show (former name)
