555 13th Street, Fenton, MO 63026 (636) 717.6523 x14

Friday, June 14, 2019 11:30am

Lunch will be at O'Charley's Restuarant

At 1 pm we will start the plant tour

Please consider bringing someone with you. This is a networking opportunity.

Directions to Restaurant:

190 Gravois Bluffs Cir Fenton, MO 63026 (636) 326-5106

ocharleys.com

From I-270 take Hwy 30 west to Hwy 141 South. Exit on Gravois Bluffs Drive. Take the first left into the parking lot.

Directions to the WWTP:

Continue south on Hwy-141 1.7 miles to 13th Street and turn right. Take the 1st right into the WWTP entrance road.

Description:

The Saline Creek RWWTF has a full headworks, peak flow holding basin, a multiple channel oxidation ditch with final clarification and UV disinfection prior to discharge through a cascade aerator. The Plant aerobic digesters and dewatering. Sludge is land applied by a contract hauler.

Mr. Joe Richardson will present the tour of the facility

RSVP to 816-853-2910 or to mpearson@mecresults.com so we can get a headcount!
